STAINLESS STEEL

Whether it's remote touring, traveling Australia or just a quick weekend getaway, a Troopy owner with an LRA water tank fitted can ensure they have clean, usable water for showers, washing up or drinking water.

The kit includes everything required to fit the new tank with minimal fuss. The tank is manufactured from 316 grade stainless steel and is finished in a black etch primer.

- The **standard** exhaust required modification, this includes a muffler change and can be supplied for an additional cost #TLC78SSW2.8-EM. It will fit with a Torqit 3.5" DPF-Back Exhaust #HS8224SS
- Clear floor access **inside** the vehicle is required for installation.
- The TLC78SSW2.8 is filled via an under bonnet pressure filler or a side panel filler.
- A water level indicator & sender to suit are optional extras for a cost #SP0004 & #WG0080
- The TLC78SSW2.8 suits the 2.8L 4 Cylinder **only**.
- The TLC78SSW2.8 fits the factory twin tank model with 180L total capacity (2 x 90L tanks)

FEATURES

- 3 year Australia wide warranty on the tank
excluding contamination corrosive water supplies
- 1 Year Australia Wide Warranty on Parts
- Full Internal Baffling
- 316 Grade Stainless Steel Construction
- 1/2" Outlet Suitable To Connect 12V Pump

All water tanks can come with an RV Electronics water level indicator & sender to suit for an additional cost.
