

PART NO: **TLC80RR**

To Suit TOYOTA LANDCRUISER 80 SERIES

(1990 – 1998)

LONG RANGE SUB REPLACEMENT FUEL TANK – 160LT

- The replacement tank gives an increase of 220% over the standard 50lt tank.
- Requires spare wheel to be removed and relocated.
- Fuel tank sits higher than the spare wheel to give you even better ground clearance
- Suits factory twin tank model only and replaces factory sub tank.

Whether its towing touring or just everyday driving, an 80 Series owner with an  tank fitted can fill up when it's cheap and drive on by laughing when the fuel goes through the up cycle every week!

The  kit includes everything required to fit the new tank with minimal fuss. The tank is manufactured from 2mm aluminised steel, etch primed and finished in silver hammertone enamel paint.

All  long range fuel tanks are proudly Australian made since 1989.

Features

- 3 year Australia wide warranty on the tank
- 1 year Australia wide warranty on parts
- Full internal baffling
- Excellent ground clearance
- 2mm T125CQ aluminised steel construction
- Original vehicle emission control system retained
